Preface

Sansad Adarsh Gram Yojana (SAGY) is a rural development programme broadly focusing on all round development of the villages. It includes expanding motivational attitude among the communities on social mobilization. The programme was launched by Shri Narendra Modi, Hon'ble Prime Minister of India on 11 October 2014 on the occasion of birth anniversary of Jayaprakash Narayan.

Sansad Adarsh Gram Yojana initiated to bring all political party members of parliament under the same umbrella while taking the responsibility of developing physical and institutional infrastructure of villages and turn them into a model one. Under this scheme, every Member of Parliament needs to choose one village each from his constituency, fix parameters and make it a model village by 2016.

State Resource Center Assam under the National Literacy Mission Authority, Government of India is initiating Adult Literacy and skill development activities in the adopted Saansad Adarsh Gram Panchayats within the jurisdiction of Sakshar Bharat Mission Districts in Assam at 2 No. Sootea (Sonitpur District), Kemijelom (Dhemaji District) and Namati (Karbi Anglong). As per Govt. of India's suggestion, special initiatives were carried out by SRC Assam on Basic Literacy and Skill Development activities in the adopted Adarsh Gram Panchayats in collaboration with Zilla Lok Siksha Samiti.

Introduction

The vision of Shri Narendra Modi our Hon'ble Prime Minister is "If we have to build the nation we have to start from the villages" and he believes that "If every Members of Parliament transforms villages in his/her constituency into model villages, large number of villages in the country would have seen holistic development". Our PM has requested all Members of Parliament (MP) to develop one model village in their constituency by the year 2016 and two more by 2019.

Accordingly, Department of Rural Development has formulated guidelines of the scheme. Under this scheme, each Member of Parliament needs to choose one village each from the constituency that they represent, fix parameters and to make it a model village by 2016. Thereafter, they can take two or three more villages and do the same by the time the next general elections comeing in 2019, and thereafter, set themselves ten-year village or rural development projects. Villages will be offered with smart schools, universal access to basic health facilities and Pucca houses to homeless villagers. Under the scheme, Hon'ble Prime Minister, Shri Narendra Modi has adopted Jayapur village from his constituency (Varanasi) in Uttar Pradesh.

Shri Narendra Modi, Hon'ble Prime Minister of India launched Saansad Adarsh Gram Yojana (SAGY) on 11th October, 2014 at Vigyan Bhawan, New Delhi. SAGY will be implemented under the overall supervision of the Union Ministry of Rural Development.

Objectives of the Yojana

- a) The development of model villages, called Adarsh Grams, through the implementation of existing schemes and certain new initiatives to be designed for the local context, which may vary from village to village.
- b) Creating models of local development which can be replicated in other villages.
- c) Sustainable improvement of living and quality of life for all sections of the population through: i) Improved basic amenities; ii) Higher productivity; iii) Enhanced human development; iv) Better livelihood opportunities; v) Reduced disparities; vi) Access to rights and entitlements; vii) Wider social mobilization; and viii) Enriched social capital.
- d) Nurturing the identified Adarsh Grams as schools of local development to train other Gram Panchayats.

Strategies

In order to convert the identified village into an Adarsh Gram through the Specified activities, the following strategies were adopted:

- a) Entry point activities to energize and mobilize the community towards positive common action
- b) Participatory planning exercise for identifying peoples' needs and priorities in an integrated manner
- c) Converging resources from Central Sector and Centrally Sponsored Schemes and also other State schemes to the extent possible.
 - 1. Repairing and renovating existing infrastructure to the extent possible.
 - 2. Strengthening the Gram Panchayats and peoples' institutions within them
 - 3. Promoting transparency and accountability

Reasons for the Implementation

One of the key reasons for lagged behind the Indian villages is not due to short of development schemes, but because of non-effective implementation of the specific schemes. The idea behind SAGY is to use the leadership skills of MPs to ensure that at least around 800 adopted villages every year are given guaranteed access to the existing central and state-sponsored schemes for which funds are already available with the district administration. The Hon'ble Prime Minister's vision for SAGY is simple and yet game-changing. If around 800 parliamentarians adopt a village every year, by 2019, more than 4,000 villages will be transformed into model villages. Without putting an ounce of extra burden on the taxpayer and by effective utilization of presently underutilized local area funds, SAGY would transform the lives of more than 2.5 crore people in rural India. This, by no measure, will be an ordinary feat.
